Call for Papers

2008 International Zurich Seminar on Communications

March 12 - 14, 2008

The 2008 International Zurich Seminar on Communications will be held at the Hotel Zürichberg in Zurich, Switzerland from Wednesday March 12 through Friday March 14, 2008.

High-quality original contributions of both applied and theoretical nature are solicited in the areas of:

Wireless Communications	UWB Communications
Information Theory	Fundamental Hardware Issues
Coding Theory and its Applications	Network Algorithms and Protocols
Detection and Estimation	Network Information Theory and Coding
MIMO Communications	Cryptography and Data Security

Invited speakers will account for roughly half the talks. In order to afford the opportunity to learn from and communicate with leading experts in areas beyond one's own specialty, no parallel sessions are anticipated. All papers should be presented with a wide audience in mind.

Papers will be reviewed on the basis of a manuscript (not exceeding 4 pages) of sufficient detail to permit reasonable evaluation. Authors of accepted papers will be asked to produce a manuscript not exceeding 4 pages that will be published in the Proceedings and on IEEE Xplore. Authors will be allowed twenty minutes for presentation.

The deadline for submission is **October 8, 2007**.

Additional information will be posted at
