

Call for Papers

2018 International Zurich Seminar on Information and Communication

February 21 – 23, 2018

The 2018 International Zurich Seminar on Information and Communication will be held at the Hotel Zürichberg in Zurich, Switzerland, from Wednesday, February 21, through Friday, February 23, 2018. High-quality original contributions of both applied and theoretical nature are solicited in the areas of:

Wireless Communication

Information Theory

Coding Theory and its Applications

Detection and Estimation

Data Storage

Optical Communication

Fundamental Hardware Issues

Network Algorithms and Protocols

Network Information Theory and Coding

Cryptography and Data Security

Invited speakers will account for roughly half the talks. In order to afford the opportunity to learn from and communicate with leading experts in areas beyond one's own specialty, no parallel sessions are anticipated. All papers should be presented with a wide audience in mind.

Papers will be reviewed on the basis of a manuscript (A4, not exceeding 5 pages) of sufficient detail to permit reasonable evaluation. Authors of accepted papers will be asked to produce a manuscript not exceeding 5 pages in A4 double column format that will be published in the Proceedings. Authors will be allowed twenty minutes for presentation.

The deadline for submission is ~~September 17, 2017~~ extended to **September 24, 2017**.

Additional information will be posted at
