Call for Papers

2022 International Zurich Seminar on Information and Communication

March 2 – 4, 2022

The 2022 International Zurich Seminar on Information and Communication will be held at the Hotel Zürichberg in Zurich, Switzerland, from Wednesday, March 2, through Friday, March 4, 2022.

High-quality original contributions of both applied and theoretical nature in the following areas are solicited:

Wireless Communication	Optical Communication
Information Theory	Fundamental Hardware Issues
Coding Theory and its Applications	Information Theory and Statistics
Detection and Estimation	Network Information Theory and Coding
Data Storage	Cryptography and Data Security

Invited speakers will account for roughly half of the talks. In order to afford the opportunity to learn from and communicate with leading experts in areas beyond one's own specialty, no parallel sessions are anticipated. All papers should be presented with a wide audience in mind.

The conference will be held in person or not at all. The decision will be taken by January 10, 2022. If called off, authors of accepted papers will be given the choice between retraction and publication sans presentation.

Papers will be reviewed on the basis of a manuscript (A4, not exceeding 5 pages) of sufficient detail to permit reasonable evaluation. Authors of accepted papers will be asked to produce a manuscript not exceeding 5 pages in A4 double-column format that will be published in the proceedings. Authors will be allowed twenty minutes for presentation.

The submission deadline is ~~September 26, 2021~~ **extended to October 3, 2021**. More information will be posted at
