

Call for Papers

2024 International Zurich Seminar on Information and Communication

March 6–8, 2024

The 2024 International Zurich Seminar on Information and Communication will be held at the Hotel Zürichberg in Zurich, Switzerland, from Wednesday, March 6, through Friday, March 8, 2024.

High-quality original contributions of both applied and theoretical nature in the following areas are solicited:

Information Theory	Detection and Estimation
Coding Theory and its Applications	Data Storage
Network Information Theory and Coding	Cryptography and Data Security
Information Theory and Combinatorics	Optical Communication
Information Theory and Statistics	Wireless Communication

Invited speakers will account for roughly half of the talks. In order to afford the opportunity to learn from and communicate with leading experts in areas beyond one's own specialty, no parallel sessions are anticipated. All papers should be presented with a wide audience in mind.

Papers will be reviewed on the basis of a manuscript (A4, not exceeding 5 pages) of sufficient detail to permit reasonable evaluation. Authors of accepted papers will be asked to produce a manuscript not exceeding 5 pages in A4 double-column format that will be published in the proceedings. Authors will be allowed twenty minutes for presentation.

The submission deadline is ~~September 17, 2023~~ **extended to October 1, 2023**. More information will be posted at
